MEMORANDUM FOR: National Security Council Intelligence
Committee Working Group

SUBJECT: Minutes of the 20 November Meeting

1. Attached are draft minutes of our meeting of 20 November, developed in some detail to provide the full flavor of the wide-ranging discussion we had. If any of you have back-up notes which you consider would be useful for the further expansion of ideas for our Working Group program, I would appreciate your forwarding them. The memorandum which Admiral Rectanus prepared for Mr. Ellsworth already has been received.

2. If you have any proposed changes to the minutes, please advise General Thomas (code 143, ext. 6238) as soon as possible, since I want to use these minutes as basis for a memorandum which will make some specific proposals for action projects based on our critique.
